CONGRESSIONAL PROCEEDINGS.

Fortieth Congress-Second Ser

TCEIDAY, MARCH. 24, 1808.
SENATE.
e o'clock the President profest vacated dir, and it was occupied by the Chief the chair, and it was occupied a justice. The Sergeant at Arms, by direction of the Chief Justice, made the usual proclamation coning silence. e counsel for the President entered and took

their seats.

The managers of impeachment were announced and came forward and took their seats, and were followed by the House of Representatives.

The journal of proceedings was then result by the Secretary, Mr. J. W. Forney.

Let Secretary, Mr. J. W. Forney.

The plantal of the Secretary is a second by the Secretary of the Secretary is a second by the Secretar

the Secretary.

The Chief Justice stated that the Secole was ready to hear the replication.

Mr. Boutwell, for the managers, arose and read the replication.

The Chief Justice. The replication will be re-Inc. Chief discipe. In representation win or releved and filed.

On motion of Senator Johnson, an authenticated copy of the reprisation was ordered to the relation of the representation of the first of the senator of the senator of the Senator from Maryland, [Mr. Johnson,] which estantor from Maryland, [Mr. Johnson,] which edirected the Secretary to read, to allow ten lays to the President to prepare for trial.

Mr. Sunner submitted a substitute, this now he replication having been filed, the trial proceed immediately from day to day.

Mr. Edmunds moved that the Senate retire for consultation.

consultation.

The Chair put the question on the motion of Mr. Edmunds, and announced that it was decided it the affirmative.

Mr. Conkling called for the yeas and nays, when the motion was decided in the affirmative,

as follows:
Yeas — Mesars, Anthony, Hayard, Buckalew,
Corbert, Davis, Dixon, Boolittle, Edmunds, Fes-sender, Fowler, Freinghysea, Grimes, Hender-son, Hendricks, Howe, Johnson, McUrcery, Mor-rill of Me, Morrill of Vt, Motion, Norton, Pat-terson of N. H., Patterson of Tenn, Santbury, Sprague, Yan Winkle, Vickers, Willey, and Wil-

Sprague, Van Winkle, Viekers, Willey, and Wilishnas—2b.
Naya—Mesars. Cameron, Caitell, Uhandler,
tole, Conkling, Couness, Cragin, Brake, Ferry,
tole, Conkling, Couness, Cragin, Brake, Ferry,
tole, Conkling, Counes, Cragin, Brake, Ferry,
Sherman, Stewart, Summer, Theyer, Tipton,
Trembull, Wilson, and Yates—21.
The Senate then, at 1.25 p. m., relired for coumilation, and returned at 2.25 p. m.
The Chief Justice aunounced that the Senate
had, after consultation, adopted an order, which
would now be read. The Secretary then read
Onfered, That the Senate will commence the
trial of the President on the artirles of impeachment exhibited against him on Monday, the 20th
inst, and proceed with the same daily until dispaced of.

ment exhibited sgatust him on automay, and supposed of.

The Chief Justice then inquired if the counsel for the defence had any motion to make.

Mr. Stanbery, for the counsel, replied in the managers of the Chief Justice then asked if the managers of impeachment had any motion to make.

Mr. Rutter would ask the liberty, on the part of the managers, to give notice that they will appear here on Monday, the 20th last, at the brief of 1220 velock, prepared to go on with the trial, and gave notice to the witnesses, who had been summoned, to appear at that time, atting the motion of the managers, then adjourned until Monday, the 20th last, then adjourned until Monday, the 20th last, then adjourned until Monday, the 20th last, then adjourned and place of the president pro test, then took the chair and rapped the Scande to order for legislative business.

In mation of Mr. Urimes, the Senate then

motion of Mr. Trimes, the Senate the into executive section, and after some time therein adjourned.

went into executive seemin, and after some time spent therein adjourned.

HOUSE OF REPRESENTATIVES.

The House of Representatives having taken a recess and it to droke this morning, it was called a message was received from the Senate, by Mr. Forney, its Secretary, transmitting a certified copy of the answer of the President of the United States.

Mr. Chauler, of N. Y., asked that the message of the President to read.

The Speaker religious could be read, the state of the senate religious could be read, the state of the senate of the senate religious could be read, the that gentleman could not call for the reading of the whole answer.

transmission of the reading of the reading of the whole answer.

At an instance and it o'clock Mr. Boutwell got the thore an unreaded the replication we fire the thore and the replication with the third that the replication of the sailent's answer filed yeaterlay, as follows: legication by the House of Representatives of the laided Matter to the answer of Andrews Johnson, President of the United Matter, to the articles of imprachment exhibited against him by the House of Representatives.

Failed Mates to the sasser of Asserts Johnson, President of the United States, the articles of impactors of the United States, the articles of impactors of the United States have considered the several answers of Andrew Johnson, President of the United States, to the several articles of imprachment against him, by them eshibited in the name of themselves and of all the people of the United States, and reserved articles of imprachment against bring, by the other control of the United States, and reserved in the improvement of the United States, and reserved in the improvement of the United States, do deny each and all of the several articles of imprachment exhibited against said Andrew Johnson, President of the United States, do deny each and every averagent in eads several answers, or either of them, which deales or traverses acts, intents, crimes, or mite asid servers of imprachment, or either of them; and for the replication to the said answer do asy that said Andrew Johnson, President of the United States, is guilty of the high crimes and misemenous assentioned in said articles, and that the House of Representatives is really to provide a fragile of the tous of Representatives.

of Representatives is ready to prove the following:

Mr. Boutwell immediately offered the following:

Resolved. That the House of Representatives
hereby adopt the replication to the answer of
the provided of the replication to the answer of
Mr. Spalding, of Ohio, did not think the replication was as full as it should be, and be warned
the managers to be eareful, as they might find
themselves entrapped by the Lawyers conducting the other side of the case.

Mr. Houtwell did not feel at all apprehensive,
for he thought the replication used the whole
case.

Ohio President to the 11th charge amounts to a
temperature for he denies that he have consulted
an impeachable offence. That just another
question in Issue, and there should, therefore,
be a special replication to answer that demurrer
in form. The issue should be make up as in answer
to the denurrer contained in the 11th astrele, for attack where their confide no proper issue
joined.

Mr. Hingham, of Ohio, and it would be no-

joined.
Mr. Hingham, of Ohin, said it would be no ticed that article II, as well avail the other arti

The first price of the control of th

even a Baltimore paper has in its columns the replication to the President's answer, signed by the managers, and it is thus given to the country the managers, and it is thus given to the country the managers, and it is thus given to the country the contract of the country of the proper of the proper of the proper of the country of the

the her objection that the resolutions was all he supposed only the form could be published, and any acceptance of the form from the books.

Mr. Wood, tholding up a paper.) Here it is in the Baltimore discricts of this morning and with the Baltimore discricts. We do not propose to do business in that way. The managers do not sign the repleation, but the Speaker signs it by order of the House. With regard to the paper desired to as that way. The managers do not sign the repleation, but the Speaker signs it by order of the House. With regard to the paper desired to say that he did not take it or read it is and he did not suppose the greatlemen on his side of the House would give it news to add it along. Mr. Butler subsequently recalled his remarks. He understood the paper referred to was the Haltimore discribed the paper referred to have the head supposed it was the Haltimore discribed the paper referred to have the head supposed to have a very respectable that he had supposed it was the Haltimore discribed the head supposed it was the Haltimore discribed the head supposed to keep his agreement with the register of the supposed to the head of the head of the House, and he proposed to keep his agreement with the leave of the House, and he proposed to keep his agreement with the sounds of the greatest compliment lever received in my life.

Mr. Wood. That cessure was the greatest compliment I ever received in my life.

Mr. Ediridge supposed the gentlemen knew that the whole subject of impeadment was the greatest and the paper of the paper

demanded it time would be saved, and the trist would be early concluded.

Mr. Willhams, of Pennsylvania, addressed the House for a few minutes upon the subject.

Mr. Woodward, of Pennsylvania, addressed himself again to the question as presented in the Mr. Houtwell then resumed the floor at 12:30, and said he was compelled to demand a vote, unless the House would agree that the replication should be considered, adopted at the implication should be considered, adopted at the injuries of one o'efock, and without a yea and may vote.

nunication from the Secretary of the Treasury in relation to requisitions for the detection of frauds on the postal and other currency. Referred to Ways and Means Committee. Mr. Ellot, of Mass., from the Committee on Commerce, reported a joint resolution, which was passed, authorizing the Secretary of State to have a gold chronometer procured and pre-sented to George Wright, captain of the British brig F. and J. Wright, for his gallant efforts in resulua four American seamen from the wreek of the brig Lizzie F. Chonte, of Gloucester, Mass.

States. On motion of Mr. Diggs, of Mich, the Commit-tee on Public Buildings and Grounds was directed to inquire whether there was not much more marble in Washington than was required to complete the public buildings; and, if so, to report whether it would not be both expedient and advantageous to dispose of the same by pube auction. The House then, at 4 p. m., adjourned.
